**PARENTS:** Because school attendance is critical to student success, it is imperative for students to be present whenever school is in session. In addition, please be mindful of taking students out of school, **for any reason**, during scheduled state-mandated testing weeks (October/March/April/May). When scheduling summer vacations, please remember that it may be necessary to schedule make-up days for snow/emergency closings. **All make-up days are added on to the end of the school calendar.**

**STAFF:** All snow/emergency closings will be added to the end of the calendar. Should it be necessary to extend the school year, approval for personal business will not be granted while school is still in session. In addition, no personal business will be granted for 10-month staff the day preceding and/or following Spring Recess (4/1-4/7/10).
