

Pennsville Middle School Guidance Department

HELPING HANDS

2009-2010

October 13th- April 15th

To help middle school students succeed academically the guidance department is offering workshops during the school year. Students can use Helping Hands on an as needed basis.

Workshops will be held based upon individual student needs:

➤ **Organizational workshop**

The main goal is for students to become more independent and organized. This includes, but is not limited to, notebooks, schedules, lockers, and school work.

➤ **Study skills workshop**

The goal here is to teach students how to study for tests and quizzes to improve academic success.

Helping Hands Sessions occur during 2nd half of lunch in room 13

Every Tuesday 4th period lunch

Every Wednesday 5th period lunch

Every Thursday 6th period

Please return form to Sue Weaver in the guidance office.
