

## AWARDS FOR ACHIEVEMENT

### General

The Board believes that student achievement should be recognized at all levels in a manner appropriate to the student's accomplishment.

The Board directs the Superintendent or his/her designee to develop criteria and procedures for presenting awards to students for scholarship and outstanding accomplishments in the arts, athletics and citizenship.

The Superintendent or his/her designee shall review and advise the Board on acceptance of proposed trophies, prizes, scholarships or other awards from non-school donors. Any such proposed award shall be free from bias as outlined in the District's Affirmative Action program.

### Athletic Participation

The Board wishes to recognize the achievements of student who give many hours of their time to represent the District in interscholastic athletics. Requirements for awards in each sport will be decided by a committee composed of Coaches, the Athletic Director and Building Principal.

### Service Participation

School service groups will be recognized for participation in order to emphasize the importance of good citizenship in school life as outlined in the course of study.
