

DRESS CODE

The Pennsville Board of Education recognizes that responsibility for the dress and appearance of students rests with individual students and their parent(s)/guardian(s).

The Board of Education will not interfere with this right unless the personal choices of students create a disruptive influence on the school program or affects the health or safety of others. Students are encouraged to use sound judgement and reflect respect for themselves and others in dress and grooming.

In keeping with goals of the Board of Education to provide a safe, healthy and non-discriminatory environment for educating students for maximum academic and social development, the Board directs the Superintendent to create a regulation concerning appropriate attire for students to be reviewed annually.
