

SAFETY

The Pennsville Board of Education recognizes the safety of its students as a consideration of utmost importance. In development of courses, the safety of participating students shall be a primary consideration. The Superintendent and School Business Administrator shall maintain all facilities and equipment to provide a safe learning environment. The curriculum shall include courses in safety as required by state law.

The Superintendent shall oversee development of a district-wide safety program with emphasis on accident prevention. All teachers shall be familiar with the provisions of this program that particularly concern them. Regulations concerning use and maintenance of eye protective devices shall be scrupulously enforced by all staff.
