

GENERAL MANAGEMENT OF LONG-RANGE PROGRAMS

The district's long-range facilities plan will be updated not less frequently than every five years. It will be reviewed annually or as required.

The review will include, but not be limited to, demographic trends, student enrollment projections, anticipated residential, commercial and industrial development, educational programs, grade organization, changes in educational services, community use of facilities, and current condition of facilities.

Date: January 18, 1983

Date Rev.: **MAY 17 1988**
