

Dear Parent/Guardian,

Pursuant to NJ code, all districts are required to provide parents and guardians with information regarding standardized assessments. Within this document is a spreadsheet listing all grades that are subject to state standardized assessments and the testing windows for which these assessments must take place. Please begin to take a look at the testing windows and make appropriate arrangements for your son/daughter to have a positive testing experience. Additionally, the NJ Department of Education has provided two informational links for Parents/Guardians regarding the assessment. These links are included below the chart. If you have any questions regarding the information in the chart below, please contact District Testing Coordinator - Jamison Thomas at 856-540-6200 x 7144 or [jthomas@pv-eagles.org](mailto:jthomas@pv-eagles.org). Thank you.
