Mark S. Zoppina, Principal

STUDENT SUPPLIES – 4th & 5th Grades

Dear Parents and Guardians,

This is a reminder that we have eliminated the annual supply lists that asked parents to purchase certain classroom materials. While there may be items that you may still wish to purchase for your child, the Pennsville School District will now provide all necessary materials for students.

Please feel free to contact us with any questions about optional items that you may wish to purchase and/or donate for classroom use.

Sincerely,

Mark Zoppina
